DRAGON

The 1974-75

DRAGON '75

began with change.

New teachers were found

by many students out-of-

the-ordinary. Homecoming

and the Harvest Festival

found us awaiting the

announcement of Queens.

With second semester came

the feeling that we were

"over the Hump" and that

spring could not be far away.

All this,

and more transpired in

DRAGONLAND, 1975.

CHICO HIGH SCHOOL

While faced with filling approximately 15 vacancies in personnel and deciding upon the perfect designs for the new addition to the school campus, the administration was also involved with a Needs Assessment Program in which the faculty also participated. Thus the school year was a very busy one for the administration and faculty. However, the outcome was successful—as always.

Special recognition is given to Mrs. Bertha Manning who has been with the Chico Independent School District fifteen years. The 1974-75 yearbook staff wishes to express on behalf of the school our sincere appreciation and admiration for so many years of excellent service for the Chico School District.

"Dragonetts"

Members of the 1974-75 Dragonett Basketball Team can look back on this season with pride, knowing they gave their all. They worked many long, hot hours with the district title their goal. Although they did not win district, the Dragonetts finished with a 7-5 district record. The team averaged 47 points a game, while their opponents averaged 44.6 points.

Becky Cox, starting senior forward and Deborah Haworth, starting junior forward, were high scorers for the season. Becky averaged 19.55 points per game, while Deborah averaged 18 points. Deborah and Becky walked away from the Bridgeport, Boyd, and Decatur Tournaments with All-Tournament honors. Bettie Morris, a starting sophomore guard, who averaged 4.83 rebounds a game, was named to the All-Tournament teams at the Boyd and Decatur Tournaments.

Debra Musick, a senior guard, led the defensive rebounding with 5.50 rebounds per game. Kris Synovec and Sandra Bowyer brought down 4.65 and 3.22 rebounds respectively for the Dragonetts this season.

The wins the Dragonetts earned were done so by the entire team's effort and by some fine coaching by Larry Mader.

"Spring Sports"

The girls and boys track teams, boys baseball, and girls volleyball make up the spring sports scene at CHS. There are some strong members on the girls track team returning this year in hopes of furthering their success from last year. Beverly Musick, 440 run, will try to make it to state to better her regional try in '74. The 880 relay team placed 9th at regional and they will try to better this record also. Deborah Haworth, Beverly Musick, Bettie Morris and Rhonda Womack are the members of that 880 relay team. Bettie Morris, sophomore, placed 3rd in the 880 run and 3rd in high jump and is working for that 1st place honor which will entitle her a trip to state. The boys spring season in track and baseball was a rough one in '74. However, they are working hard this spring to better last years' record and have hopes of some district titles. The volleyball team placed 2nd in the district tournament in '74 and are vying for first place this season. Coaches for these sports are Baggett, Mader and Turner.

FAVORITES

Mr. and Miss C.H.S.

Tim Hand and Cathy Largent

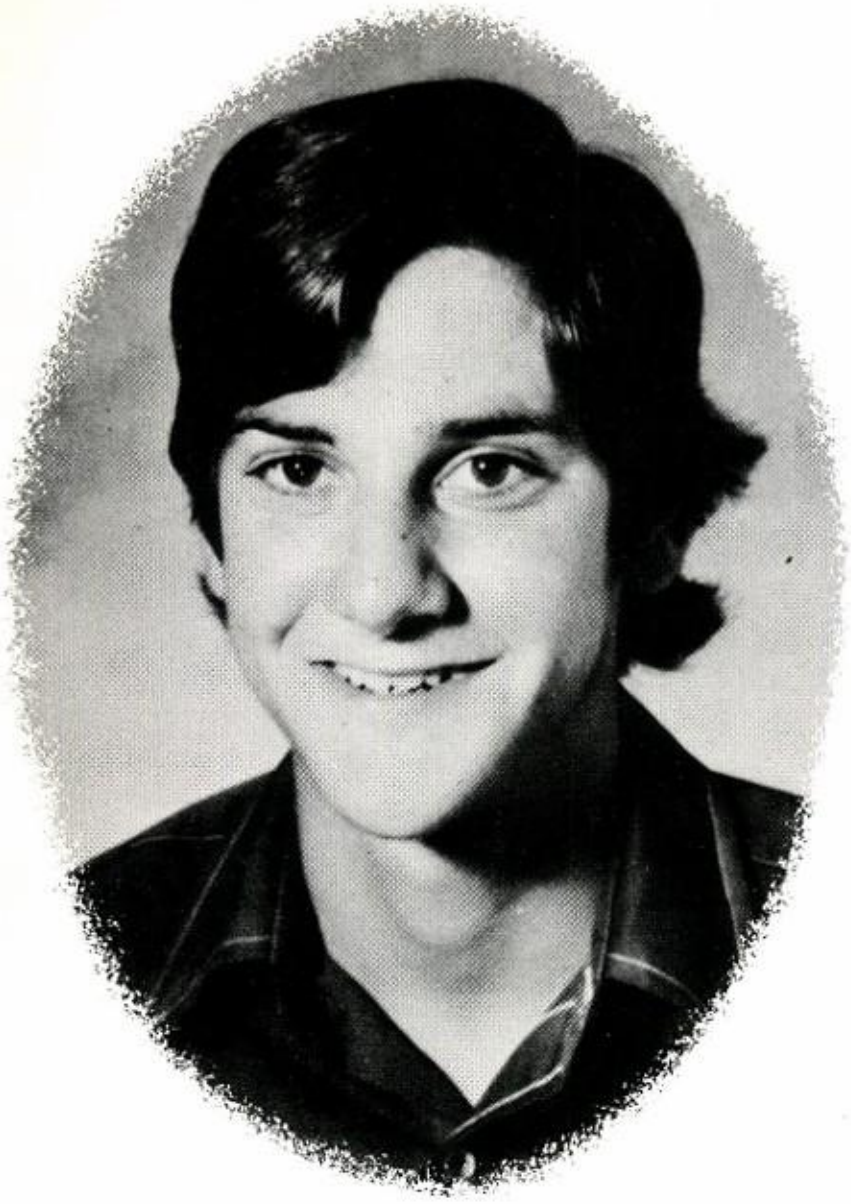
Delbert Synovec voted Most Cooperative his junior year, was voted by the CHS student body as Best All-Around. Delbert's interest in a wide range of school activities as well as his avid participation in the athletic program at CHS make him a wise choice for this honor.

Being head cheerleader and president of the Beta Club are just two of the time-consuming activities in which Cathy participates. Her enthusiastic interest in school organizations heads the list of reasons why Cathy is the student's choice for Best All-Around Girl of 1975.

Best All-Around

Delbert Synovec

Cathy Largent



Because of his friendly attitude, interest in others and sense of humor, it is easy to see why Mike was chosen for Winning Personality. Mike was chosen Most Bashful his junior year, runner-up for Most Courteous, and was chosen FHA Beau his senior year. An ideal choice for Winning Personality and always a smile for everyone.

Because of her sense of humor as well as her varied interests, Debra was chosen for Winning Personality. Debra's activities include athletics and twirling. She has been selected as Junior Class Favorite, Senior Class Favorite, Band Sweetheart, Homecoming Queen and has served as a band and junior class officer. Debra was chosen "Wittiest" two years in a row which is a clue to her Winning Personality.

Winning Personality

Mike Weatherly

Debra Musick

Tim's good looks and his outstanding personality make him a fun person to be around. His enthusiastic participation in school activities is evidenced by his being elected president of the senior class. Despite his busy schedule, Tim still found time to participate in football, basketball and track. He was also class favorite his junior year and voted Most Athletic. Tim's witty sense of humor and his good looks make him a good choice for Most Attractive.

Most Attractive

Tim Hand

Donna Richey

Donna's pleasant disposition and her friendly personality are just a few of her outstanding characteristics. She stays busy as an FHA officer and vice-president of the pep squad. Because of her neat appearance, attractive looks, and poise, CHS chose Donna as Most Attractive.

Success follows Mike everywhere he goes. Besides his ability to achieve academically, Mike is able to win at rodeos—his favorite sport—because of his sincere determination and hard work which he applies to his talent everyday. Knowing this, the CHS student body voted Mike Most Likely to Succeed.

A member of the 880 relay district team, honorable mention basketball and Most Cooperative her junior year plus being chosen basketball sweetheart are just a few of the reasons Deborah was voted most likely to succeed. If she could do all that her sophomore year the student body felt her junior and seniors years would really be a success. Most Likely to Succeed—Deborah Haworth.

Rusty Hand

Most Athletic

Athletes who have proven their ability to perform successfully in all sports are deserving of this honor. They are physically strong, skillful and mentally prepared for athletic competition. Each athlete must realize the important aspects of training and above all the essential quality of sportsmanship.

Rusty Hand, Deborah Haworth and Becky Cox were chosen on this basis and are worthy of being named Most Athletic.
